**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We at Kutter's Furniture currently use Ideatek for our phone and internet. this local company gives us a better rate and better quality internet/phone service then our prior AT&T service. Allowing for smaller local services to compete with the larger ones is vital to a more competitive balance. Internet and phone services are too high at this point. Limiting the competition only will increase the costs.

Thanks,

Vice President Kutter's Furniture
